WAYDE W. WENDELL

Dear Friends,

Our 2018 Wendell Family Fireworks show was another tremendous success, and went off without a single blackout or pause, from start to finish, thanks to the hard work of our brother Wayde Wendell working together with the technician from our exhibitor, who happens to be a local Rockport boy, and **your generous support.**

But it's that time of year again when we're gearing up for the annual Wendell Family Fireworks Show. This year we are excited to celebrate the 54th anniversary of the show and will blast off on Wednesday night, the 4th of July. The show is set to start at dark, around 9:15 to 9:30 PM and is promised to live up to the standards that your contributions have allowed us to establish over the years. We have received many letters from spectators over the years complimenting us as the show has evolved. And it's all because of your generous support!

Wayde, Shawn, Jill and extended family member George More will continue the Wendell Family Fireworks tradition, generation after generation in honor of their parents, Jerry and Jan Wendell and with gratitude to the community and donors from around the State and beyond for their generous support which has allowed the show to get bigger and better, year after year.

Over the years, the show has grown tremendously as a privately funded event due to your support. We hope that you will consider being one of our 2019 Donors.

We understand many of you have suffered due to Hurricane Harvey and still are so if you aren't able to donate this year, we understand completely. But be sure to come and enjoy the show and let "Harvey" know **HE CAN'T GET US DOWN!!!**

If you wish to contribute to Wendell Family Fund there are now two convenient ways to do so.
